

Fluids - Request for Analysis (RFA) Order Form

Customer Name: _____ Company Name: _____ Customer Email: _____ PropTester Contact: Jordan Alvardo jalvardo@proptester.com Date Received: _____ Delivered: _____				<u>Company Billing Info.</u>							
				Name:							
				Address:							
				City:							
				State:							
				Zip code:							
Method of Payment											
☐	Credit Card	☐	Invoice	☐	Check	☐	Wire Transfer	☐	Money Order	☐	PO# _____
For invoicing, a completed credit application must be submitted and approved.											
☐ Visa ☐ Master Card ☐ American Express ☐ Other: _____ Card Number: _____ Expiration Date: _____ <u>Credit Card Billing Information:</u> Name On Card _____ Address _____ City _____ State _____ Zipcode _____ **Please fax/email and enclose request form in with sample shipment** SAMPLE DELIVERY Samples should be shipped to the address below. SAMPLE SIZE 2 to 4 pounds SHIP TO: PropTester Fluids Manager c/o Fluids Manager 17222 Huffmeister Road Cypress, TX 77429 1-281-256-8880 or 1-888-756-2112											

Fluids - Request for Analysis (RFA) Order Form

Guar Analysis (check box below for testing series that applies)			
Full Analysis on Guar -Moisture Content -Insoluble Acid Residue -Gel Hydration -pH Measurement -Particle Size Distribution HTHP Crosslink Performance			☐ Moisture Content
			☐ Insoluble Acid Residue
			☐ Gel Hydration
			☐ pH Measurement
			☐ Particle Size Distribution
			☐ HTHP Crosslink Performance
			☐ Mineralogy (X-ray Diffraction w/Elemental Analysis)

☐ Full Analysis

Comments/Request/Special Instructions/Stress Specifications:
Barite Analysis (Check box below for testing series that applies)

Full Analysis on Barite

- Apparent Density (g/cm3)
- Bulk Density
- pH in water
- Water-Soluble Alkaline Earth Metals
- Particle Size Distribution
- Moisture Content

☐ Full Analysis
